

After years of planning, designing and construction, Eunice's new Recreation Complex finally opened in September, 2006.

The Complex, with a total of ten (10) baseball and softball fields, two (2) concession stands, press boxes and playground, is located at 461 Sittig Road, Eunice, LA.

I want to thank all the people who have volunteered their time and efforts to making the children of this community dreams come true. Even with this brand new facility, our recreation programs would not be possible without the volunteer coaches and the support of the parents of the children of Eunice and the surrounding area.

I look forward to seeing you and your children at the ballparks.

George Schneider
City of Eunice Recreation Director
